SKILLS

- C || JAVA || C++ || JavaScript || Python(Basic) || HTML, CSS || Bootstrap || TailwindCSS || MySQL || MongoDB
- ReactJS || NodeJS || ExpressJS || Redux Toolkit || Git || GitHub || Vercel
- Data Structures || Algorithms || OOP || Competitive Programming || Problem Solving

PROJECTS

Shopkart

[Link to Demo](#) || [Source Code](#)

"Shopkart" is an e-commerce platform crafted with Node.js, Express.js, and React.js, employing Tailwind CSS for UI aesthetics. It implements user authentication via Passport.js and utilizes JWT tokens for secure transactions. Key features include seamless shopping, admin product management, reset password using nodemailer and dynamic sorting for enhanced user experience.

Java Bank Application

[Source Code](#)

Created a Java project, 'Bank System', utilizing MySQL and JDBC for secure transactions. Implemented user authentication, account management, and core banking operations like transfers and balance inquiries. Showcases strong Java programming and database management skills.

Weather React App

[Link to Demo](#) || [Source Code](#)

Developed a React app, 'Weather App', leveraging OpenWeather API and reverse geolocation for real-time weather data. Features include async pagination for easy input of various cities, showcasing dynamic fetching and display of weather information.

EDUCATION

2021 - present	B.E. in Computer Engineering at GEC Rajkot	(CPI: 8.31 CGPA: 7.78)
2021	Class 12th Science (Osem Pathak School)	(87.38%)
2019	Class 10th (Shree Gyandeep Vidhyalaya)	(86.83%)

ACHIEVEMENTS & CERTIFICATIONS

- Solved 600+ problems on DSA in Different coding platforms.
- Ranked top 5 in CodeGenie Hackathon by Tark Technologies.
- Obtained SQL Basic Certificate and Problem Solving Basic Certificate on Hackerrank.
- Completed Harvard University's CS50x course, covering computer science fundamentals.
- Participated in Code Carnival Hackathon at Atmiya University and Eklavya Hackathon at VVP Engineering College.

CODING PROFILES

- **Leetcode:** 400+ Problems Solved with highest rating 1496.
- **Hackerrank:** Achieved 5 and 4 stars in SQL and JAVA respectively.
- **GFG:** 100+ Problems solved.
